

The turn of the screw Benjamin Britten

Aka

The meta-disaster

A.k.a. how to turn a screw online for dummies

Prologue read by Danny McBride

This is the boring life story of how Seth Rogen came to be the producer of the disaster installation interior room set peace movie

Scene one Twitter tweets

Seth Rogen posts how we hope the James Franco body gets Greenlit but is apprehensive about what is already on sale

Scene to greeting greed resistance

seth rogan The producer's mind is worried by the aggression of the low level management robot played by Michael cera and the hack comedians who will be neglected through a legal loophole Tim and Eric

scene three the email

Seth the producer gets an email announcing and certificate of achievement for help with underprivileged children which legal grants and protects a contract for the hack comedian Eric the actor to stay die wreck lee tied with the project of the project of the movie that Seth Rogen is getting off the ground but Seth the producer is not impressed and accusing the hack Tim for forging the document for the hack Eric

Scene for viral video viewing

Seth the producer is surfing the web when he is amused by a parody porn cartoon envisioning the upcoming interior room peace project where in the end the of the animation the characters of seth rogan and james franco have the project box literally blows up in their own two face

Scene five the mirror

Seth the producer is using his mirror application, shaving, while voice chatting with Tim and Eric when all of a sudden he notices a zit on his forehead. Seth the producer recalled it was just like the oddity featured in the characterization of the video that went viral. Seth the producer remarks how funny that is and laughs for a long time. Seth the producer tells Michael Cera a lie over his experiences and Mike replies confidentially that it must be Tommy W trolling through the internet. Seth Rogan the producer face times Mike Cera. Mike Cera tells Seth Rogan to don't worry because Tommy W worked previously with Tim and Eric on their TV show that was cancelled because of Tommy W and though Tim and Eric had trouble working with Tommy W and vowed to never work together again there was no ill will between the three but regardless Seth wants transparency so goes off to confirm the allegations with Tim and Eric.

Scene six

The producer Seth avoiding requests phone calls and text messages from the hack comedian Eric the actor who is filled with joy to finally faintly get to work together and then made up stuff to ham it up.

Scene seven hot tub time machine

Escorting Tim to the hot tub Seth asked him how long he lived in the desert. Tim keeps in automatic monotone to equal value no matter the insult, end, sold, comment, compliment or complement about the desert. Tim, Michael Cera then Seth the producer get a picture of Tommy W waving hello greetings from Palm Springs Desert motel where there is a billboard sign that reads "heats the weather" which leaves the hack comedian Tim to be innocent of the copyright strike which is broadcasted and sent to assess Seth Rogan's point of view.

Scene 8 morning coffee

An animated photo collage of Tommy W impersonating James Franco where they shake hands, sharing tongue slides side by side, shows side shots where the caption of the photo reads they are not interested with forming a partnership with Tim and Eric. Mike Cera and Seth Rogan avoid the picture and continue to enjoy breakfast which lets the devices become infected with a virus. The hack comedian Eric the actor asked Seth Rogan the producer if he heard anything new from James Franco or the project getting the green light behind the door and insisted if they can't get the thing off the ground then that's not his fault and threatens to sue Tommy W for taking away his originality of Hagness Hack Ness.

Act two

Scene one social media rants

Franco and Tommy W post their inability to discuss their indecision to how to make the disaster installation interior properly and Seth Rogen complains how in different he is to work with the hack comedians Tim and Eric. Seth Rogen wishes the hack comedians to get kidnapped by the homeland mafia peacekeeper team and conveniently silenced

Scene two the balls

hack comedians Tim and Eric get hack tv hosts Eric Andre and Hannibal Burrese to perform satanic hard-core whack rap metal black inside Seth Rogen's Canadian home temple of the head of state in the name of Jesus Christ and all that is holy . Mike Cera remarked how impressed he was to the size of their hairy balls on display for the Jewish public and Seth Rogen cheers them on and then passes out on the floor just after putting his phone on setting vibrate sleep with an automatic voice message that says, "Tim and Eric have a restraining order from contacting Franco and Tommy W and can be trusted with that and promises to call you back later".

Scene three Tommy W

Intending to stay Seth the producer packed up his bag to make it look like he's ready to leave so the situation doesn't end up so interesting when Tommy W has a hologram appear in Seth the producer's room . Tommy W has his life size hologram behind Seth Rogen. Tommy W imitates James Franco and produce the story line of lies that all the contracts are set and the bowls is ready to roll. once the hologram has gone the producer calls Eric and Tim's manager David leave her heart and accuses them of breach of contract and leaves a message to Tim and Eric that Seth the producer wants to be left alone

Seen for food court

Seth Rogen the producer walks in on hack comedian Eric the actor eating a taboo salad at the food court wanting to discuss terms of the negotiation to not work together but suddenly Franco calls Eric on his cell phone and Eric stops listening to Seth Rogen the producer

Scene five Franco

Prompted by Franco, hack comedian Eric the actor gives a prescreening critique of what has not been made yet and the legal injustice that Tim and Eric are receiving. Eric names the unjust situation as the second blacklisting in America and freedom to create something that fails at its greatest potential

Scene six the keyboard

Tim playing the synth keyboard that cannot be heard because it is broken and unplugged Mike cera the robot slave and Seth Rogen the producer suddenly intrude to cheer him on at his achievement to post modern art and music when all of a sudden hack comedian Eric the actor bursts out of the keyboard to everyones delightful surprise so Seth Rogen and Mike cera leave

Scene seven Eric

Mike cera and Seth Rogen enter a different room to avoid Eric the actor and jump in the hot tub Time Machine Seth Rogen is not aware Tommy W has been creeping up on Seth even though hack comedian Eric the actor sends a text warning Seth that Tommy W is playing James Franco behind his back who is pretending to be Seth Rogen's own shadow and in the end hack comedian Eric the actor blames himself of the interference

Scene 8 Tim

mike cera is unaware and doesn't care Eric is asleep and takes off to pursue a magical music career being a roadie Rudy for the reunion of the moldy peaches band as part of the required Child support for Juno. Seth Rogen the producer shoots Eric in the head killing him instantly and then calls the hack comedian tim on the phone. Seth Rogen makes up some reasons why he really wants to work with Tim and Eric but is locked into an already fixed schedule. Tim responses that he is relieved and get the text from James Franco that soon is scheduled exchange in the innovative transplanting laser surgery of genitals with Tommy W will commence. as it came to pass Tim then got yet another text from Franco to which he read out loud, " Tim I told you not to mention that now your head is going to self-destruct in 3. 2. 1... and Tim's head explodes leaving Franco to get a call from Seth Rogen that he just got word from the world that they got the OK greenlight to make another shitty film while picking at the hack comedians splattered remains and brain bits with the tip of his shoe
